---

- I. Title of the Event:** National Education Day
- II. Program Theme:** Innovation & Design Thinking
- III. Date & Time:** 11th November 2024. 11:30 AM to 1:00 PM
- IV. Event Coordinators:** Dr. Arindam Ghosh
- V. Number of Student Participants:** 35
- VI. Number of Faculty Participants:** 4
- VII. Number of External Participants, if any:** N/A
- VIII. Expenditure Amount, If any:** 1500/-
- IX. Mode of Session delivery:** Offline
- X. Speaker details, If any (50-100 words):** The keynote address was delivered by Prof. Krishna Roy, who spoke about the importance of education in shaping the future of a nation. He highlighted the vision of Dr. Maulana Abul Kalam Azad, India's first Education Minister, and his contributions to building the modern education system in India. Faculty members also shared their perspectives on innovative teaching methodologies and skill-based learning.
- XI. Objective of the event (100-150 words):** The objective of celebrating National Education Day was to honor the contributions of Dr. Maulana Abul Kalam Azad towards education in India and to promote the significance of literacy, innovation, and knowledge acquisition. The event aimed to raise awareness about the importance of education as a tool for empowerment and national development. Furthermore, it sought to inspire students and educators to explore modern teaching methodologies, critical thinking, and research-oriented learning. By organizing discussions and interactive sessions, the event encouraged intellectual growth and innovation-driven education.
- XII. Benefit in terms of learning/ Skill/ Knowledge obtained (150-200 words):** The event provided an opportunity for students and faculty members to reflect on the evolution of the Indian education system and its impact on society. Participants gained insights into the role of education in national progress, the importance of skill development, and the need for innovation in pedagogy.

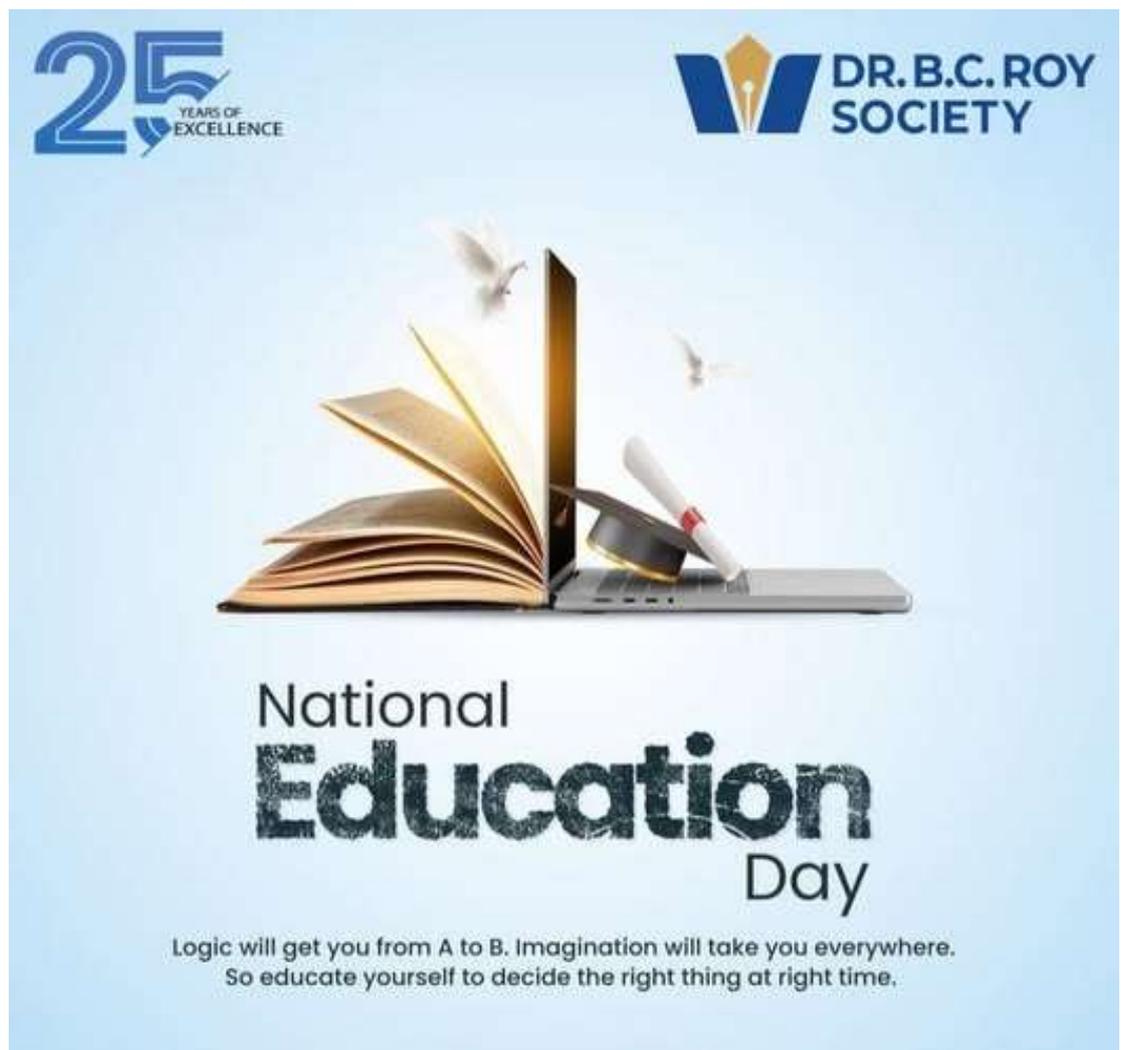

Additionally, the discussions on modern educational trends, digital learning platforms, and interdisciplinary education equipped students with a broader perspective on career opportunities and lifelong learning. The interactive session with experts allowed students to explore entrepreneurial and research-based learning approaches. The event emphasized critical thinking, creativity, and the role of technology in

education, which helped participants understand the importance of adapting to new-age learning methodologies. Overall, the session reinforced the value of education as a transformative force in society.

**XIII. Feedback received from the guest/ participants:** Yes

**XIV. Remarks, if any (50-100 words):** The event was highly appreciated by students and faculty. Many attendees found the discussions thought-provoking and inspiring, particularly the insights shared on education as a catalyst for innovation and national development.

**XV. Poster or Banner of the event:**

**XVI. Photographs (5 (max) for offline or screenshots for online):**
