Viksit Bharat@2047

HONOURABLE PRIME MINISTER'S ADDRESS AT THE LAUNCH OF VIKSIT BHARAT@2047: VOICE OF YOUTH PLATFORM on 11.12.2023

On the momentous occasion of the launch of Viksit Bharat@2047: Voice of Youth Platform, the Honourable Prime Minister addressed the nation on December 11, 2023, unveiling a visionary initiative that amplifies the voices and aspirations of the youth. With a keen focus on shaping the future of India, the Prime Minister emphasized the significance of active youth participation in crafting the nation's trajectory towards 2047. The Prime Minister's address resonated with a call to action, urging the youth to share their transformative ideas and play an instrumental role in steering the nation towards prosperity and progress. This platform marks a historic step in fostering a collaborative approach between the government and the youth, laying the foundation for a Viksit Bharat that reflects the collective dreams and endeavours of its people.

MOTIVATIONAL TALK Date: 11.12.2023

Dr. Vani Priya, the President of the IIC and Professor of the MCA department, after the web live cast discussed the important strategies for advancing the Developed India Mission. With her expertise in the field, Dr. Vani Priya explained the different approaches aimed at growth, innovation, and sustainable development across various discipline in achieving this as a part of IIC council from SIRMVIT. Followed her talk, attendees heard an inspiring speech from Ms. Reena, aimed at motivating the audience and strengthening their commitment to the Developed India Mission goals.

SIRMVIT "VIKSIT BHARAT 2047" QUIZ on 10.01.2024 to 23.01.2024

Institution's Innovation Council at SIRMVIT organized a quiz to encourage the students to contribute to the vision of a developed India followed the address by Prime Minister Viksit Bharat Live Webcast in the December month. The quiz event was organized from January 10-23, 2024 across many departments in the offline mode. 147 students from various branches and semesters participated.

During this time Innovation Ambassadors encouraged the students to participate in the upcoming Idea Pitch event which created a buzz around the transformative concept of "VIKSIT BHARAT 2047" among the student community. In addition to that they discussed about the five themes of the area of problems to give their related to their technical skills and interests.

- Empowered Indians (Education, Health, Sports, Nari Shakti, Caring Society, Culture)
- Thriving and Sustainable Economy (Agriculture, Industry, Services, Infrastructure, Energy, Green Economy, Cities)
- Innovation, Science & Technology (Research & Development, Digital, Startups)
- Good Governance and Security
- India in the World

Coordinators of Viksit Bharat 2047 guided the students on how to upload their ideas in the respective Government web portal to contribute to the vision of a developed India. Dissemination of information about Viksit Bharat 2047 circular, SOP (Standard Operating Procedure), Step by step-by-step procedure manual on how to contribute their ideas in the portal was also done by the Coordinators.

INNOVATE INDIA NEXT GEN - 2047: IDEA PITCH CHALLENGE EVENT on 23.01.2024

The **Innovate India Next Gen - 2047: Idea Pitch Challenge** event had organized on 23 January 2024 in SIRMVIT in the following problem areas which was already mentioned under Viksit Bharat 2047 in the respective Government portal:

- Empowered Indians (Education, Health, Sports, Nari Shakti, Caring Society, Culture)
- Thriving and Sustainable Economy (Agriculture, Industry, Services, Infrastructure, Energy, Green Economy, Cities)
- Innovation, Science & Technology (Research & Development, Digital, Startups)
- Good Governance and Security
- India in the World

The judging panel, comprised of Dr. Vanipriya C. H., President of the SirMVIT Institution's Innovation Council (IIC), and Dr. V. Shanta, Professor in the Department of Mechanical Engineering, provided valuable insights and feedback to the aspiring students. They are going to be the shaping community of forward-thinking individuals ready to make a positive impact on the nation's development in the near future.

During this event, 20 students across various branches and semesters actively participated and presented their ideas using engaging Power Point slides and verbal presentations.

This event marked a significant milestone in pursuit of innovation and societal development for our student community. It also empower students' minds with a real-world social connect and a sense of responsibility. This event was coordinated by Ms.Tamil Selvi N, Mr. KVR Prasad, and Ms.P Kezia Joy Kumari. This event was conducted by Purushuttam Kumar (1MV21EC074), Ayush Rathore(1MV21CS017), Ashish Singh(1MV21IS047) ,N Sai Aishwarya Reddy(1MV21CV005),Ruchitha (1MV21CV009).

The Idea Pitch Challenge event served as a platform for students to showcase their innovative ideas and contribute meaningfully to our collective vision. Each participant demonstrated commendable enthusiasm and creativity throughout the event, making valuable contributions to the discourse on national development

In addition to certificates, prizes were also distributed among the participants to recognize and encourage their outstanding efforts. These prizes were awarded to individuals whose ideas exhibited exceptional merit, originality, and potential for real-world impact.

GOVERNMENT PORTAL PARTICIPATION: IDEAS FOR ACHIEVING THE 'DEVELOPED INDIA' MISSION

It is achieved by conducting various promotional events such as In house innovation Ambassadors discussion with the students, Quiz and Idea Pitch Challenge event.

To facilitate this engagement, a meticulously prepared Standard Operating Procedure (SOP) was introduced, offering a clear understanding of the submission process. Additionally, a step-by-step manual was distributed across college websites and social media platforms, ensuring widespread awareness and seamless participation in these promotional events.

Overall various events such as "In house innovation Ambassadors discussion with the students," "Quiz," and "Idea Pitch Challenge event" were helped the students and faculties to promote active participation in the government portal idea submission.

Approximately 74 students, along with several faculty members, actively contributed with their ideas on how to achieve the developed India mission. These ideas were submitted through the government website. They received certificates from the My Gov portal for the same Developed India mission Idea submission contest.
