Photo and Resume of the Resource person

Mr. Gaurav Kunal, Founder and CEO

Mr. Gaurav Kunal motivational inputs about his success journey. He graduated in 2015, got placed in multiple companies, and joined Accenture, Mercedes Benz. However, from beginning he thought he'll do something of his own, and hence initiated with freelancing, projects, started company in 2018, quit job. Collaborated with multiple companies and clients across globe. Insights about Startup ideas and how we can encourage students to think about, 4 stages of startup - idea , validation, execution most important – MVP, customers, sell and iterate.

Softobotics is a leading technology company specialising in innovative software solutions that empower businesses to thrive in the digital age. I founded this 6 years back and it has clients from USA, Europe, Japan etc.

DripFunnel is a sales automation platform that streamlines repetitive sales tasks, saving time for sales and marketing professionals. It helps business expand their networks and focus on converting leads into clients. Its a product based company which he founded 1 year back.

Dr. E. Kavitha, Professor & HOD

Dr. Kavita. E. Professor & HOD Sir MVIT shared about Swami Vivekananda's birthday, national youth day, his ideas, how students can bring change, almost 50% of population is under 25years age group, national youth day, 3 P's- purity, patience and perseverance,

Famous Indians that brought change – Ratan Tata, global conglomerate, Nano to taking over Rover, Jayashree Industries, cheaper sanitary pads for women, hygiene, Vandana shiva, sustainable agriculture, what is India by Vitesh Rawal, Satyarthi Nobel peace prize winner from India, Anand Kumar super 30 program, Shiv Nadar, founder, millions of followers and money is not needed to bring change and start.
