“National Science Day – 2024”
under the aegis of
Avishkara-the Science Forum in association with Spandana-the
Social Outreach Club and INSTITUTION’S INNOVATION COUNCIL (IIC)**

Event Title: National Science Day – 2024 celebrations

Overall Report

The National Science Day was celebrated on 28th February 2024, to commemorate the “Discovery of Raman Effect” under the aegis of “Avishkara-the Science Forum” in association with “Spandana-the Social Outreach Club” of Sir MVIT. The chief guest for the occasion was Sri C. D. Prasad, Former Scientist of ISRO. High school students from Sai Vidya Mandir, Bettahalsur were invited for the occasion. 90 students along with two teachers attended the event. The chief guest addressed the gathering on “The Methods used for Launching Rockets”. He also interacted with the school students and answered their queries related to Rocket Science. A video of launching the rocket was shown to students. Innovative projects done by UG and PG students were exhibited to school students. They were taken for lab visits to BT and ECE departments. Quiz contest was held for school students and winners were gifted with prizes. All the students were presented with stationary items as return gifts.
