DEPARTMENT OF ELECTRONICS AND TELECOMMUNICATION
ENGINEERING

Organized

INSTITUTION'S INNOVATION DAY

In association with

INSTITUTION INNOVATION COUNCIL (IIC)

Description:

The function was organized to celebrate Dr A P J Abdul Kalam's birth anniversary. The idea was to invoke awareness of innovation ideas in young minds. In the inaugural function Dr E. Kavitha Professor and Head of Electronics and Telecommunication department delivered a talk on Dr. A. P. J. Abdul Kalam, followed by the Dr. Vani Priya Ch. President of IIC and Dr. Sasmita Mohapatra Vice President of IIC. Later two events were conducted in the interest of student i.e., poster presentation and Quiz.

Objectives:

- Importance of innovation and idea generation.
- The importance of creative thinking and poster presentation.
- Benefits and awareness of problem solving.

Benefits in terms of learning/skills/knowledge obtained:

- Improves the student's ability to interpret and create visual information.
- Enriching the innovative ideas of the student.
- Igniting the creative thinking of the student.
- Encouraging and confidence building in the student.
