

SIR M VISVESVARAYA INSTITUTE OF TECHNOLOGY
IOT & Cyber Security including Block Chain Technology
Organizes
A WORKSHOP ON
Design Thinking, Critical Thinking and Innovation Design
Under
INSTITUTE'S INNOVATION COUNCIL (IIC)
EVENT TITLE: Design Thinking, Critical Thinking and Innovation
Design on 22-02-2024.

Description of Event

Expose students to the design process as a tool for innovation. Develop students' professional skills in client management and communication. Demonstrate the value of developing a local network and assist students in making lasting connections with the business community. Design thinking is a non-linear, iterative process that teams use to understand users, challenge assumptions, redefine problems and create innovative solutions to prototype and test. It is most useful to tackle ill-defined or unknown problems and involves five phases: Empathize, Define, Ideate, Prototype and Test.

Objectives of Event

- .1. Design Thinking, Critical Thinking and Innovation design is a user-centered approach to fostering innovation in product and service design.

2.It entails understanding user requirements, brainstorming innovative solutions, prototyping, and iterative testing.

3.This methodology is essential for creating innovative solutions that truly connect with users.

Benefits in terms of learning/skills/knowledge obtained

Learning is the process of gaining new skills, knowledge, understanding, and values that is benefit to society. Change making contribution to the society through innovative ideas, startup ideas and entrepreneurship motivations.

DEPARTMENT OF IOT & CYBER SECURITY INCLUDING BLOCKCHAIN TECHNOLOGY

in association with Institution's Innovative Council

Organises

A one day workshop on

Design Thinking, Critical Thinking and Innovation Design

Date : 22 - 02 - 2024

Time : 10:00 am

Place : CSE Seminar Hall

Speaker

LOKESH B.

FOUNDER DIRECTOR
AGASTYA ACADEMY, Bangalore

IIC Chair

Prof. Rakesh S. G.
Principal

Mentor

Dr. Savita Choudary
Assoc. Prof & Head
IOT & Cyber Security
including Blockchain
Technology

President - IIC

Dr. Vani Priya Ch.
Professor & Head
Department of MCA

Vice President - IIC

Dr. Sasmita Mohapatra
Professor
Department of ECE

Convener - IIC

Dr. Soumya Patil
Assoc. Prof. &
Head AI & ML

Coordinator

Ms. Savita B.
Assistant Professor
Department of MCA

Photo and Resume of the Resource person

B S Lokesh, Founder Director Agastya Academy Bangalore

B S Lokesh ,BE (Chem) from Bangalore University, PGDFTM from Institute of Management Calcutta-10 years experience in training of soft skills, sales and marketing and Innovation and entrepreneurship development programs. -20 years of experience in the field of Marketing and Manufacturing of Basic Chemicals. He was running a small-scale industry manufacturing industrial chemicals.
