

SIR M VISVESVARAYA INSTITUTE OF TECHNOLOGY

DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

Under the aegis of

INSTITUTE'S INNOVATION COUNCIL (IIC)

HACKAATHON

The Department, in collaboration with the Computer Society of India, Sutantra, and the Institutions' Innovation Council, successfully organized HACKATHON-2023 on January 13, 2024. This event served as a convergence point for students with technical backgrounds, providing them with a platform for collaborative problem-solving and ideation.

Objective:

The primary objective of HACKATHON-2023 was to unite students possessing technical expertise on a common platform to tackle real-world problems and cultivate innovative ideas. By fostering an environment conducive to creativity and collaboration, the event aimed to enhance participants' IT skills while facilitating Event Details:

Mr. Jishnu Kumar, Software Developer Engineer of Valuepitch, along with Mr. Sagar, Co-founder of Valuepitch, graced the event as esteemed judges and mentors. Their presence added immense value to the event, providing participants with expert guidance and insights. A total of 37 students from various semesters across different branches of Sir MVIT enthusiastically participated in the event, showcasing their passion for technology and innovation, networking and idea exchange among peers.

Outcomes:

HACKATHON-2023 proved to be an enriching experience for all participants, enabling them to sharpen their technical skills and expand their horizons through interaction with like-minded individuals. The event served as a catalyst for creativity, fostering the development of novel solutions to contemporary challenges. Furthermore, participants had the opportunity to forge valuable connections within their field, laying the groundwork for potential collaborations and future endeavors.

The seamless execution of HACKATHON-2023 was made possible through the diligent efforts of Mr. Raghavendra Rao B G. and Mr. Vasantha S., who served as coordinators for the event. Their meticulous planning and organizational prowess ensured that the event ran smoothly, facilitating an engaging and rewarding experience for all involved.

Details of Resource Persons:

Mr.Sagar Routhray,

Co-Founder (VP) of Valuepitch E Technologies Pvt. Ltd.

Mr. Sagar has experience in building robust, scalable products and platforms, extremely particular about aspect of testability, serviceability and maintainability of software. He believes that software should be built with a purpose, one of them should be customer delight. He would love to design architecture, set up a process and proactive in automation, product mindset, and he likes to take decision based on the data/stats.

Mr.Jishnu Jaiprakash

Software Developer, Valuepitch E Technologies Pvt. Ltd.

He is a Software developer pursuing Bachelor's degree in Data Science and Programming at Indian Institute of Technology, Madras.

HACKATHON-2023 emerged as a resounding success, encapsulating the spirit of innovation and collaboration within the academic community. By providing a platform for students to harness their creativity and technical expertise, the event not only enriched participants' learning experiences but also laid the foundation for future innovation and advancement. Moving forward, such initiatives are instrumental in nurturing a culture of innovation and excellence within educational institutions, empowering students to become catalysts for positive change in society.

Acknowledgments:

We extend our sincere gratitude to all participants, mentors, judges, and organizers whose contributions were instrumental in making HACKATHON-2023 a memorable and impactful event. Special thanks to Mr. Jishnu Kumar and Mr. Sagar for their invaluable guidance and support throughout the event.

The poster is a vertical rectangular graphic with a dark blue header and footer, and a light grey central section. The header contains the logos of the organizing institutions and a portrait of a man. The central section features the event title 'HACKATHON-2023' in large white letters, surrounded by details about sponsors, prizes, date, time, and organizers. The footer includes a QR code and a registration link.
