One Day Workshop

#IAmRemarkable - an Innovative Workshop on the Importance of Soft Skills in Education

Report

Introduction:

On the occasion of National Education Day, a one-day workshop titled "#IAmRemarkable" was conducted to emphasize the crucial role of soft skills in education. The workshop took place on November 11, 2023, at BT Seminar Hall, and it was a significant event aimed at promoting holistic education. The workshop was facilitated by Mr. Roshan J. Washington, an esteemed alumnus of the institution from the 2010 batch, currently serving as the Global Talent Program Manager at Dell Technologies, Bengaluru.

Objective of the Workshop:

The primary objective of the workshop was to create awareness about the importance of soft skills in education and the professional world. Soft skills, including communication, teamwork, adaptability, and emotional intelligence, play a pivotal role in shaping individuals into well-rounded professionals.

Highlights:

Session 1: "The Relevance of Soft Skills in the 21st Century" (9:30 AM - 11:00 AM):

Presentation by Mr. Roshan J. Washington on the importance of soft skills in the modern educational and professional landscape

Interactive discussions and case studies highlighting real-world scenarios

Session 2: "#IAmRemarkable" Workshop (11:15 AM - 1:00 PM):

Practical exercises and activities focusing on self-promotion, self-confidence, and personal branding
Participants sharing their achievements and learning to articulate their accomplishments effectively

Session 3: "Soft Skills in the Workplace" (2:00 PM - 3:30 PM):

Insights from Mr. Roshan J. Washington based on his professional experiences

Q&A session allowing participants to seek guidance on navigating the corporate world

Outcomes:

Increased awareness of the importance of soft skills in personal and professional success.

Enhanced self-promotion and communication skills among participants.

Practical strategies for incorporating soft skills into daily life.

Networking opportunities for collaboration and future growth.
