Faculty Mentor: - Mr. Byregowda B. K. and Dr. Rashmi K V

Student Coordinators: - K Uday Kethan, KMS Manvitha ,
Samyog Gowda, Sindu R

Report

SPANDANA- the Social Outreach Club of Sir MVIT in collaboration with NSS organised a clean-up drive on 5th June, 2024 to commemorate World Environment Day. The event aimed to foster community participation in environmental conservation efforts.

The event commenced with encouraging and kind words from the Principal of Sir MVIT, Prof. Rakesh S G and a group picture was taken.

The participants were equipped with gloves and trash bags, dispersed into groups led by club coordinators. They cleaned up designated areas around the campus and adjoining public spaces. The drive focused on collecting plastic waste, paper, and other non-biodegradable materials to promote a cleaner environment.

After several hours of dedicated efforts, the collected waste was sorted and responsibly disposed of with the support of municipal waste management authorities. Refreshments were provided to all participants as a token of appreciation for their active involvement.

The event successfully promoted environmental awareness and encouraged proactive measures towards maintaining a cleaner and greener ecosystem. This initiative not only strengthened community bonds but also reinforced Sir MVIT's commitment to sustainable practices and environmental stewardship among future generations.
